Konsert Santai Seni UiTM - JPT is a collaboration between the UiTM Faculty of Music, Holistic Student Division of Higher Education Department (JPT) and the Student Affairs Unit UiTM Faculty of Music. The initiative of organizing this concert is to provide music industry management exposure to the faculty's Diploma final year students.

Cultivating both the corporate social and community service elements, this program is also utilized as a donation drive platform, in which all proceeds will be directed to Sekolah Kebangsaan Kota, Negeri Sembilan.

Featuring the students, alumni and lecturers from the UiTM Faculty of Music, it is aimed that the music will be able to reach all levels of society, as well as bringing members of the faculty closer to the community.
